Pirrenungu, Jan. 11, 1800. Da. Hayesa:—Hy wife has been sfilleded with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been trasted by several physicians without any relief. In this state of her case, I procured some of your Pestoral Cough Syrap. I bought, the first time, a fifty coat bottle, which relieved her very much I then called and got a dollar bottle, which cared her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privatores, Nov. 18, 1858.

Dr. Eryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afficied with coughs, celds and beareness of any hind, and for the peculiar qualifications for removing all that disagrecable sensation attending a severe cold.

I have been, more or less, in my life, affected with the coverest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me actively.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for discases so prevalent.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—De. Krrsen.—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. A kneecked the noise out of may ownown and the worst one I was ever afflicted with: I have not used more than one half of the bottle, and I can and do wish that all who are afflicted would gire it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breaths more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

READ THE TRUTH.—DR. KEYSER: I have a daughter who has taken several medicines for a bad cough without tenefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

I employed the best physicians in the country, and my cough continued unstated until early in October. At that time I was advised to try your PECTORAL COUGH. PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the mun, he beling about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DB. HEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Reyser's Pectoral Syrup." We have sold sizeen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully, January 30. 1860.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Bigned, 236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THATGOUGHING."—'How can I do it? "Go to Keyser's on Wood street and got a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one bears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully conclut in the adviser's admonition as above, for we have tried the "Pectoral." in a most stutborn case, with entire success. Near two weeks ago we want to Pictsburgh, with one of the most distreming, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and alaboriously for one whole week, in hopes of strings if out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired stempth, potency and distresself-like by the operation. In this stage of the alege, we coughed our way to Keyser's, 140 Wood St.—procureds fifty cant bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drocensville Chipper, Dec. 14, 1859.

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade, of society, whose united testimony name could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Bec. 21st, 1858.

Prof. Wood: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a compilerate chroic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caus. neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the hald spot is now covered with hair thick and bluck, though shert, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to perseverve in its use, and heing destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine spents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restrored. I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative is use. I tried one boatle, and found to my great estimateion that it was producing the desired effect.
